PLEASURE IN READING

Especially for children in groep 3 en 4

Pick up a summer reading bag in the library from 15 July!

In the bag you will find 3 nice books at avi level to read (together) during the holidays.

There is a nice reading bingo card and information for parents. You must return the books when you have read them, but you can keep the bag. This makes it easy to borrow new books right away!

You can pick up the bag in De Witte Dame, Het Huis van Waalre and Expeditie E.

Not a member of the library yet? No problem, children up to 18 years old can join for free.

Subscribe via this [link](#) and immediately pick up your bag and card!
